Dear Sir:

AMENDMENT UNDER 37 CFR 1.312

This Amendment is filed to correct the Amendment Under 37 CFR 1.116 filed on June 3, 2005. In that Amendment, the Applicant canceled rejected claims to place the application in condition for allowance. However, allowed claims 62-66 depended variously from base claims 35, 50, and 60, all of which were canceled in the Applicant's § 116 Amendment. The Applicant failed to rewrite claims 62-66 in independent form, and this oversight went unnoticed by the Examiner, who issued a Notice of Allowance dated July 5, 2005.

Claims 62-66 have been rewritten in independent form including all the limitations of their base claims. Entry of this Amendment, without withdrawing the application from issue, is respectfully requested.

A complete listing of pending claims follows.
